The following terms of use apply to all visitors and users of our websites, www.sur-seal.com, spectex.com, muellercustomcut.com and boothfelt.com, including any microsites or mobile versions of the websites (collectively the "Websites"). By continuing to browse or use our Websites, you are agreeing to comply with and be bound by the following terms of use, as they may be modified by us at any time and posted on our Websites (the "Terms of Use"). If you do not accept these Terms of Use, do not browse or use the Websites. The Terms of Use constitute a legal agreement.

The terms "Sur-Seal," "we," "us," and "our" refer to Sur-Seal, LLC. and its affiliates, subsidiaries, divisions, and brands including Spectex, Inc., Mueller Custom Cut, and Booth Felt Company. The terms "you" and "your" refer to the visitor to or user of our Websites and, if the visitor or user is accessing or using our Websites in his or her capacity as an employee or authorized representative of a company, then the terms "you" and "your" also refer to such company.

1. Acceptance of Modifications to Terms of Use: We reserve the right, at our discretion, to update, revise, add to, remove from or otherwise modify these Terms of Use. Any modifications shall be effective immediately upon posting to any of the Websites. Please check the Terms of Use periodically for modifications. Your use of any Websites following the posting of any modifications to the Terms of Use constitutes your acceptance of those modifications.

2. Conditions and Restrictions on Use: In your access and use of the Websites, you agree to comply with all procedures, rules and policies established by us and all applicable federal, state, and local laws and regulations. The Websites and all of their materials, including, but not limited to, their software, HTML code, scripts, text, artwork, photographs, images, video, and audio, and including the brochures, catalogues, certifications, manuals, data sheets, articles, sell sheets, and product images available at the Websites (collectively, "Materials") are protected by copyright laws and other U.S. and international laws and treaties. You are granted no right, title or interest in our Materials other than the limited license expressly set forth in these Terms of Use.

All Materials are provided by us as a service to visitors to and users of the Websites and may be used only for those informational purposes for which they are provided and then only if you also retain all copyright and other proprietary notices contained on the Materials. This is a limited license, not a transfer of title, to our Materials, and

such license and your use of the Websites are subject to the following restrictions: (i) you may not copy, reproduce, publish, transmit, distribute, perform, display, post, modify, create derivative works from, sell, license or otherwise exploit the Websites or any Materials without our prior written permission; (ii) you may not access or use the Materials or the Websites in any manner that is competitive with us or in any manner that violates any applicable federal, state or local laws or regulations; and (iii) you may not permit any copying of our Materials. Any unauthorized copying, alteration, distribution, transmission, performance, display or other use of the Materials or Websites is prohibited. We may revoke this limited license at any time for any or no reason. All rights not expressly granted are reserved by us.

Without limiting the generality of the foregoing, you acknowledge and agree that certain content and features available through and used to operate the Websites are protected by copyright, trademark, patent, or other proprietary rights, by us and/or our affiliates, licensors and service providers. You agree not to modify, alter, or deface any of the trademarks, service marks or other intellectual property we make available in connection with the Websites, including the Materials.

You further agree not to (i) use any data mining, robots, or similar data gathering or extraction methods in connection with the Websites or the Materials; or (ii) attempt to gain unauthorized access to any portion of the Websites or the Materials or any other accounts, computer systems, or networks connected to the Websites, whether through hacking, password mining or any other means.

We may terminate, change, suspend or discontinue any aspect of the Website, including the availability of any features of the Websites, at any time and without notice.

We may terminate your access to or use of the Websites at any time, for any reason or no reason and without prior notice to you. Any such termination, change, suspension or discontinuance shall be without liability to you.

In the event of a violation of these Terms of Use, we reserve the right to seek all remedies available at law and in equity.

3. Trademarks: We retain all rights regarding our trademarks, trade names, brand names, logos and trade dress. These marks, names, logos, trade dress and associated images are registered and/or common law trademarks and are protected by U.S. and international laws and treaties. No license to the use of such marks, names, logos or trade dress is granted to you under these Terms of Use or by your use of the Websites. Your misuse of the trademarks, trade names, brand names, logos and trade dress displayed on the Websites is strictly prohibited.

4. Unsolicited Idea Submission: Although through the use of certain areas or features of the Websites a user could provide an unsolicited idea, do not send us ideas about new products, manufacturing processes, product improvements or new services. In order to avoid potential misunderstandings or disputes when our products, processes, improvements or services might seem similar to ideas submitted to us, we adhere to a strict policy of not accepting them. We do not accept or consider such unsolicited ideas through the Websites, including: ideas for new or improved products, services, technologies, processes, techniques, methods, systems, designs, plans, or concepts; or ideas for product enhancements, product names or marketing plans.

Please do not send through the Websites, or describe at any area or feature of the Websites permitting textual input or responses, any suggestions, ideas, know-how, concepts, techniques, procedures, methods, designs, plans, formulas or other materials. If, despite our request that you not send or otherwise provide us these, you still send or provide them, then, regardless of what your transmission says or what you describe in an area where text may be provided, such submissions will not be considered confidential or proprietary to you. In addition, we will have no obligations with respect to such submissions and may use, distribute and otherwise exploit them in any manner and for any purpose (including for our commercial purposes) that we deem appropriate, in our sole discretion.
